Dear Member

Scheme Name: ASC Chain of Custody
Standard Reference: MSC CoC Standard Default Version 4.0 (February 2015)
Membership Number: AM170026

Following closure of all outstanding non-conformances of your recent audit, your membership of the ASC Chain of Custody has been approved for the following site: Danforel A/S. Your Certificate of Conformity, detailing scope of certification and your audit report is now available on the member's portal of the Acoura website.

Your registration number must be used on consignment and invoice documentation to allow your customers to demonstrate traceability back to ASC fishery sources. Please note, you may not commence sales of ASC products until your details appear on the ASC website. If you plan to use the ASC ecolabel on your products you must enter into a Logo Licensing agreement with the MSC, please see <http://www.msc.org/documents/logo-use>

May I also remind you of the ASC requirement to inform Acoura Marine of the use of any new ASC suppliers, with 10 days of any delivery being received, and in advance should you require to change your activity scope.

If you have any questions or require further information, or need to advise us of any changes to your certification activity or scope, please do not hesitate to contact us.

Best regards
